

FREIGHT SERVICES & PROJECT LOGISTICS SOLUTIONS

Agence Maritime MOHAB - TUNISIA

PRESIDENT'S WORD

Our Company "Agence Maritime Mohab" is locally and worldwide well reputed for the high quality of its services as well as the skills and the infinite commitment of its employees.

Since its creation in 1972, the company did not cease developing its activities to become one of the most requested logistics operators capable of satisfying the needs for its customers by assuring them personalized solutions based on the principles set by our Performance Policy:

- Listening to customers requests and following up their shipments
- Competence and expertise of our staff
- Competitiveness of prices and services
- Involvement and continuous improvement

Being present ourselves in the main Tunisian port areas through our own branches and also represented worldwide by competent and experienced partners, we are able to perform all services related to the transport chain from collection until delivery, through storage and clearance of all types of declarations.

Among our activities, we also ensure the representation of vessels and management of exceptional consignments.

Abderrazek Bouricha
President
